vis, vid

see

vision - the ability to see; eyesight

visible - that which can be seen (The stars are not visible tonight.)

visit - a view, or what is seen from a distance

video - picture part, or what is seen, on television

evident - can easily be seen (It's evident that you are not feeling well.)

evidence (e - out) - out of what can be seen and noticed (Is there enough evidence to convict him?)

viv, vit

alive, life

revive - (re - back) - to bring back to life; to resuscitate

survive - to continue to live (He survived the terrible accident.)

vivid - full of life; lively, bright and distinct (vivid red hair) (a vivid imagination)

vital - essential to life; of great importance (The bullet entered a vital organ.)

viviparous (parous - to produce) - producing live young rather than eggs

verb

word

verb - a word that expresses action (The word "jump" is a verb.)

proverb (pro - forward) - a wise and popular saying, or words, usually about character and conduct (Do you know any well-known proverbs?)

verbal - pertaining to words; spoken not written (a verbal agreement)

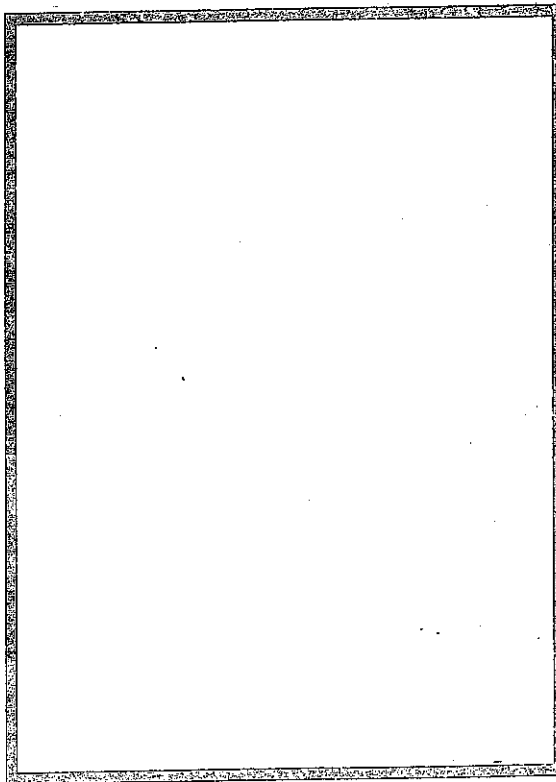

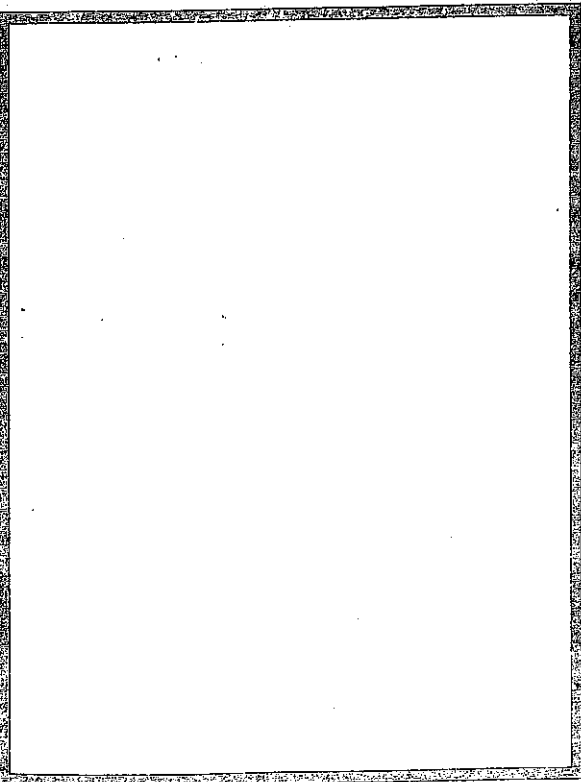

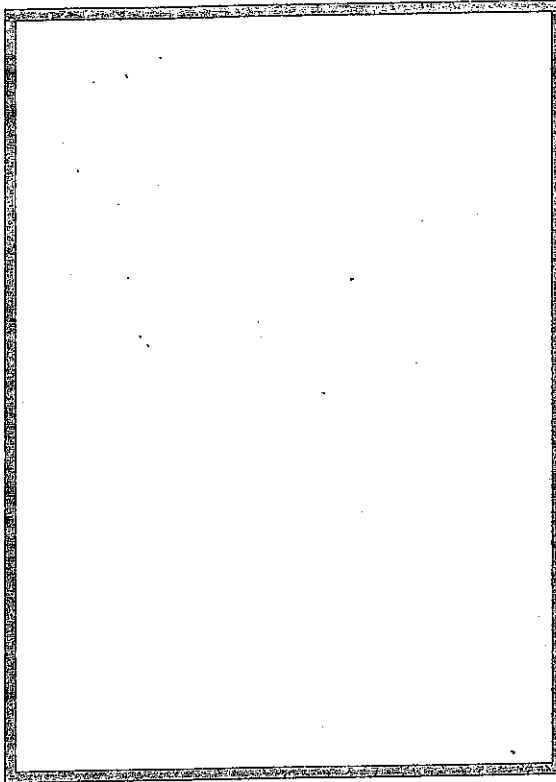

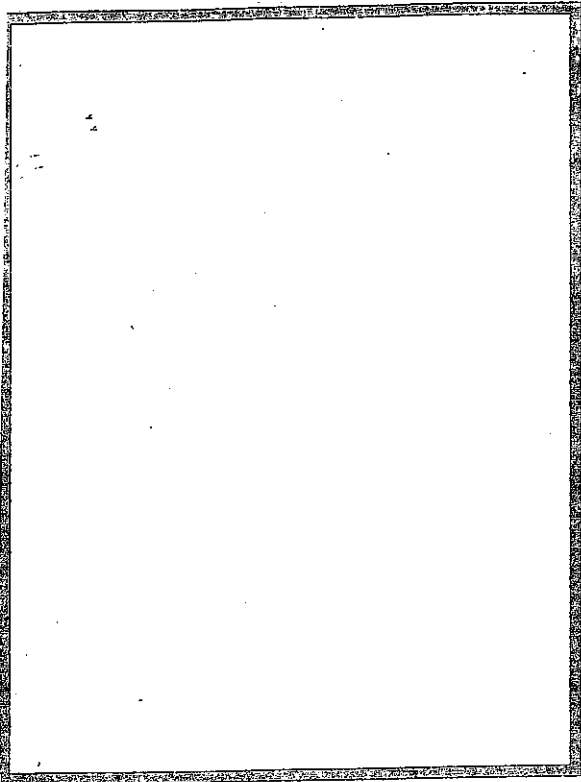

verbalize - to express in words

verbatim - repeating the actual words. (She repeated the poem verbatim.)

direction:

Choose four words from the lesson to illustrate.

For each word: draw a picture, a symbol, a cartoon, or an ad, or write the word in an interesting way.
